EVALUATION METHODOLOGY

Bank will evaluate technical and commercial proposals considering valid Undertaking Letters as mentioned in "**Point: SUBMISSION DETAILS**". The vendor quoting the lowest commercial shall qualify as the L1/successful vendor/bidder. The vendor is expected not to add any conditions / deviations in the commercial bid. Any such conditions / deviations may make the bid liable for disqualification.

NORMALIZATION OF BIDS

The Bank will go through a process of evaluation and normalization of the bids to the extent possible and feasible to ensure that vendors are more or less on the same ground of evaluation. After the normalization process, if the Bank feels that any of the bids needs to be normalized and that such normalization has a bearing on the price bids; the Bank may at its discretion ask all the empanelled vendors to resubmit the commercial bids once again for scrutiny. The Bank can repeat this normalization process at every stage of bid submission or till the Bank is satisfied. The vendors agree that they have no reservation or objection to the normalization process and all the vendors will, by responding to this tender, agree to participate in the normalization process and extend their co-operation to the Bank during this process. The vendors, by submitting the response to this tender, agree to the process and conditions of the normalization process.
